Dear Lt. Venkataramana

I am very much pleased to send my letter of appreciation to you. Though in the initial stage you and your team had faced the technical glitch, it soon picked up, and the programme had gone well with great success and delight. It was due to your sincere effort, commitment and dedication. Thank you for all the endless hours of hard work you put in! You did an excellent job. It shows your passion for the work, which is incredible. Know that it is recognized and greatly appreciated by me. I was exceedingly satisfied and felt so happy that your hard work was paid at the end resulting in greater success of the webinar. However, I would like to express my sincere admiration, appreciation for your outstanding efforts in such short notice and offer my best wishes for you, your principal, and the group commander, Colonel Dinesh Reddy. Certainly, it is a feather in the crown for you in particular and the college in general. I was deeply touched beyond words. I must profusely thank you for having thought of me as a key speaker in the webinar. Hope and wish that many more such events will be organized in the future with the same zeal, commitment, and hard work.

With deep appreciation for your efforts and best wishes.

KEEP UP THE EXCELLENT SPIRIT OF WORK, COMMITMENT, AND DEDICATION.
