PRINCIPAL (FAC)

To  
The CDC DEAN,  
Yogi Vemana University, Kadapa.

Sir,

**Subject:** Submission of Suggestions from Stakeholders Regarding Curriculum and Examination System.

As part of our continuous efforts to enhance the academic quality at Government Degree College, Rayachoty, we have gathered feedback from our stakeholders, including students, teachers, alumni and employers for the academic year 2019-20. Based on their input, we respectfully submit the following suggestions for your review and consideration:

**1. Addition of Multidisciplinary and Interdisciplinary Courses:**

- Our faculty members have recommended the introduction of multidisciplinary and interdisciplinary courses into the curriculum. This inclusion would align with contemporary educational practices and provide our students with a broader, more integrated learning experience.

**2. Inclusion of Compulsory Internship Programs:**

- Employers have suggested that compulsory internship programs be included in the curriculum. Integrating internships as a mandatory component will enhance the practical skills and employability of our students, better preparing them for the demands of the job market.

We kindly request that these suggestions be considered during the upcoming curriculum review process. We believe that incorporating these changes will significantly benefit our students and strengthen the academic offerings of our institution.

Thank you for your attention to these matters. We look forward to your feedback and positive action.

Yours sincerely,
