To
The CDC DEAN,
Yogi Vemana University, Kadapa.

Sir,

Subject: Submission of Curriculum Suggestions for the Academic Year 2020-21.

As part of our continuous efforts to enhance the academic quality at Government Degree College, Rayachoti, we have gathered feedback from our stakeholders, including students, teachers, and alumni for the academic year 2020-21. Based on their input, we respectfully submit the following suggestions for your review and consideration:

1. Inclusion of Courses for Competitive Exams:

- Students have expressed a strong interest in including courses that specifically prepare them for government competitive exams in the curriculum. Adding these courses would significantly enhance their readiness for the competitive job market.

2. Addition of Multidisciplinary and Interdisciplinary Courses:

- Both students and employers have emphasized the need for multidisciplinary and interdisciplinary courses. Integrating these into the curriculum would provide a more comprehensive education, equipping students with diverse skills for various career paths.

3. Orientation Course on Life Skills and Skill Development:

- Teachers have requested training on the new courses introduced as part of the life skill courses and skill development courses. We kindly request that an orientation

course be organized to assist faculty in effectively delivering these courses to students.

We believe that these suggestions will greatly benefit our students and faculty, and we kindly request that they be considered during the upcoming curriculum review and planning processes.

Thank you for your attention to these matters. We look forward to your positive response and action.

Yours sincerely,
