Sir,

Subject: Submission of Curriculum Suggestions for the Academic Year 2021-22.

As part of our ongoing efforts to enhance the academic quality at Government Degree College, Rayachoti, we have collected valuable feedback from various stakeholders for the academic year 2021-22. Based on their input, I would like to submit the following suggestions for your consideration:

1. Removal of Topics Beyond Undergraduate Level:

- Some students have expressed concerns that certain topics in the current curriculum are beyond the scope of the undergraduate standard. We request that these topics be reviewed and adjusted to better align with the UG curriculum.

2. Training for Faculty on Community Service Projects and Internships:

- Our faculty members have requested proper training in the implementation of community service projects, short-term internships, and long-term internships. To effectively guide students, we believe it is essential to equip our faculty with the necessary skills and knowledge. We kindly request the organization of training programs focused on these areas.

3. Inclusion of Latest Advances in the Curriculum:

- Employers have suggested that the curriculum be updated to include the latest advances in various fields. This will ensure that our graduates are well-prepared and

competitive in the job market. We request that these suggestions be considered during the next curriculum review.

We believe that these recommendations, if implemented, will significantly enhance the quality of education provided to our students. We kindly request your favourable consideration of these proposals.

Thank you for your attention to these matters. We look forward to your positive response.
Yours sincerely,

Yours sincerely,
