Sir,

Subject: Submission of Suggestions for Curriculum Enhancement and
Implementation for the Academic Year 2022-23

Dear Sir/Madam,

As part of our continuous efforts to improve the academic experience at Government Degree College, Rayachoty, we have gathered feedback from various stakeholders for the academic year 2022-23. Based on their suggestions, I would like to bring the following points to your kind attention:

1. Introduction of Single Major Honours Courses:

- Our faculty members have expressed a strong interest in introducing single major Honours courses. These courses would allow students to gain in-depth knowledge in their chosen field of study, thereby enhancing their academic experience and better preparing them for future careers.

2. Implementation of External Practical Examinations:

- Teachers have requested the introduction of external practical examinations. This would ensure a higher standard of assessment and provide an objective evaluation of students' practical skills.

3. Allocation of Sufficient Time for Community Service Projects and Internships:

- Students have requested that sufficient time be allocated for community service projects and internships. These activities are crucial for the holistic development of

students, providing them with practical experience and fostering a sense of social responsibility. We kindly request that the academic calendar be adjusted to accommodate this need.

We believe that these suggestions will significantly enhance the academic programs at our college, ensuring that our students receive a well-rounded and rigorous education. We kindly request your favourable consideration of these proposals.

Thank you for your attention to these matters. We look forward to your positive response and action.

Yours sincerely,
