N-LIST

Introduction:

The Project entitled "National Library and Information Services Infrastructure for Scholarly Content (N-LIST)", being jointly executed by the e-ShodhSindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, IIT Delhi provides for i) cross-subscription to e-resources subscribed by the two Consortia, i.e. subscription to INDEST-AICTE resources for universities and e-ShodhSindhu resources for technical institutions; and ii) access to selected e-resources to colleges. The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre.

Four Components of the N- LIST

The project has four distinct components, i.e. i) to subscribe and provide access to selected e-ShodhSindhu e-resources to technical institutions (IITs, II SC, IISERs and NITs) and monitor its usage; ii) to subscribe and provide access to selected INDEST e-resources to selected universities and monitor its usage; iii) to subscribe and provide access of selected e-resources to Govt./ Govt.-aided colleges and monitor its usage; and iv) to act as a Monitoring Agency for colleges and evaluate, promote, impart training and monitor all activities involved in the process of providing effective and efficient access to e-resources to colleges.

The INDEST and UGC-INFONET are jointly responsible for activity listed at i) and ii) above. The INFLIBNET Centre, Gandhinagar is responsible for activities listed at iii) and IV) above. The INFLIBNET Centre is also responsible for developing and deploying appropriate software tools and techniques for authenticating authorized users.

Note: From Year 2014, N-LIST programme is subsumed under e-ShodhSindhu Consortium as college component. The colleges (except Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing) in India are eligible to get access e-resources under N-LIST programme.

INFLIBNET - N-LIST

Our college library has taken subscription for N-LIST of INFLIBNET to access e-books and e-journals for the year 2022-23, Our college has paid rupees 5900/- towards subscription amount to NILST-INFLIBNET centre for getting access to e-resources of reputed publishers. For that all staff members and students got enrolled as members in N-LIST. We have collected their details like e-mails and cell numbers and upload the details in bulk or individual. After enrolment, the members are given user ID and passwords by the N-LIST centre. With the passwords the members can access and download the required content of reputed publishers in the world at any time and at anywhere.

We have conducted awareness program in every class and created awareness in how to login with the password given and search and access the e-resources. The students were motivated to access various subject e-books and e-journals.

OBJECTIVES:

- To access extensive collection of digital content including books, research papers and journals of various subjects
- To allow the members to stay up to date information.
- To support academic and professional development.
- To enhance their knowledge and skills in their respective fields.
- To facilitate continuous learning and professional development.
- It eliminated the need for physical storage space.

OUTCOMES:

- Enhanced academic productivity by accessing e-books and e-journals.
- By accessing expanded knowledge and information sharing.
- Improved accessibility as they can be accessed from anywhere at any time with internet connection.
- Improved accessibility is very much beneficial to the users in remote areas
- Particularly very much beneficial to physical disabled.
- Good Eco-friendly practice by reducing paper consumption.
- Digital content helped in conserve natural resources and environmental impact.
