

GOVERNMENT DEGREE COLLEGE,

RAYACHOTY-516269

(Accredited with C grade by NAAC)

Sustained Institutional Growth

Over the past five years, under the leadership of the principal, GDC Rayachoti has experienced remarkable growth. The staff have played a pivotal role, particularly in increasing student admissions through strategic initiatives such as route mapping and door-to-door campaigns, resulting in a significant boost in enrollment. Additionally, they have provided financial and material support for infrastructure development. With no vacant teaching positions, the institution benefits from a strong and dedicated faculty presence.

During this period, various infrastructural improvements have been made, including the installation of new computer systems, solar panels, CCTV cameras, rainwater harvesting systems, organic manure units, dual desks, building paintings, and minor repairs. These achievements were made possible through financial support from alumni, CPDC involvement, and contributions from the ICICI Foundation. These collective efforts underscore the commitment of both the principal and staff in driving sustained institutional growth and development.
