

# GOVERNMENT DEGREE COLLEGE, RAYACHOTY

## Report on National Mathematics Day Celebrations

Date: 22-12-2023

The Department of Mathematics at Government Degree College, Rayachoty, marked the celebration of National Mathematics Day with great enthusiasm. The event was graced by the presence of the esteemed Principal, Dr. Harshalata Pankaj, who not only participated actively but also offered valuable suggestions to enhance the significance of the occasion.

The program witnessed widespread participation, extending beyond the Mathematics Department. Faculty members from other departments also joined in the festivities, showcasing a collective commitment to recognizing the importance of mathematics in education.

In particular, the Mathematics Department's faculty, including B. Mallikarjuna Reddy and Ch. Ramanjaneyulu, played a pivotal role. They not only actively participated in the event but also took the opportunity to emphasize the profound importance of National Mathematics Day. Their insights and perspectives added depth to the celebration, contributing to a broader understanding of the subject.

The active involvement of Principal Dr. Harshalata Pankaj, coupled with the collective participation of faculty members from various departments, made the National Mathematics Day celebration a resounding success. The program effectively underscored the role of mathematics in education, fostering a spirit of appreciation for the discipline among students and faculty alike.
